Dear Mr. Jaegle:

It is with deep gratitude that I write to thank you, Carmen Davis, and Marcelino Tibung for your extraordinary support over the last three weeks. As a result of the recent water pipe break in the Park Center Office Building, almost 100 Food and Nutrition Service (FNS) employees were displaced from their work stations and offices. The immediate response from your company and the superb support we received from Carmen and Marcelino made a tremendous difference in our ability to minimize workflow disruptions and quickly return our displaced employees to their normal work environment.

I truly appreciate the partnered approach that Carmen demonstrated with GSA and our FNS staff; together the three groups made an invincible team focusing everyone's energy in a common direction.

As we move forward, I look to your continued support and cooperation!

Sincerely,

Julie Paradis
Administrator
