Tomorrow! Come to Bisnow's **DC Healthcare Real Estate Summit**. With **sweeping reform** ahead, we've assembled the **experts** to discuss the state and future of healthcare real estate as it pertains to **DC's regional economy**. Thu, **Oct. 25** at the Willard. [Sign up now!](#)

It's sunny and unseasonably warm **this week** in DC—perfect symbol of the hope for economic recovery that 850 development-minded participants have brought with them to **NAIOP's 45th annual** national conference that started at the Marriott Wardman Park yesterday. (Alas, it may just be the heat from presidential campaigning.)

At **last night's** welcoming reception, we snapped Minneapolis developer **Jean Kane**, slated to become **national chairman** of NAIOP a year from now, flanked by NAIOP president **Tom Bisacchino** and Maryland DC/MD chapter president (and Clark Construction guru) **Bill Magruder**. Tom, who's run the national organization for **22 years**, tells us it's a good time, because such little new product has been created that people recognize the need for development to match a rising tide that may soon be coming in.

FORWARD THINKING IN COMMERCIAL REAL ESTATE.
