Streetcar: Where Is the Darn Thing?

We're not trying to **rush** anyone, it's just that we've been **standing outside** on H Street since 1997—the year we first heard whispers about streetcar. Our train still hasn't come, and it's starting to **rain**.

DDOT's **Dara Ward** tells us the streetcar is still **on schedule** to begin operations on the H Street Corridor in **late 2013**. How will one of the nation's **hippest** neighborhoods (as confirmed by *Forbes* in 2012) handle this new addition—especially with 5% annual population growth? Dara's not worried and thinks the streetcar will continue to **transform H Street** into a hot DC destination.
