Childress Klein - Cambridge Healthcare Solutions broke ground on the \$150 million Charlotte Veterans Affairs Health Care Center, a 429,000-square-foot facility located on the corner of W. Tyvola Rd. and Cascade Point Blvd. in Charlotte, NC.

The 35-acre out-patient medical campus will service approximately 140,000 veterans in the area. The project is being looked at as becoming the gold standard for VA leased facilities.

The project is expected to be completed by February 2016.
