

COVID-19 RESPONSE

Change is Coming

[Cambridge Asset Advisors LLC](#) is dedicated to the safety and well-being of our valued tenants. In response to COVID-19, we are upgrading the HVAC systems throughout our portfolio by implementing the installation of GPS Bipolar Ionization. This air purification system supports the protection of our tenants by neutralizing odors, reducing particles, controlling allergens, and ultimately killing pathogens such as coronavirus.

We are pleased to announce successful installations at [The Atrium at Worldagate](#) in Herndon, [Tavern Square](#) in Alexandria, [Cambridge Metro Overlook](#) in Mclean, [1250 23rd Street](#) in Washington D.C., [Maryland Trade Center I](#) in Greenbelt and [Maryland Trade Center II](#) is delivering soon!
